11 JUNE 2015

CATALYST ANNOUNCES SHARE PURCHASE PLAN OFFER AND BONUS OPTION ISSUE

Catalyst Metals Limited (**Catalyst**) is pleased to announce a non-renounceable Share Purchase Plan offer and Bonus Issue to all eligible shareholders to accelerate drilling programmes at the Tandarra, Raydarra and Sebastian projects in North Bendigo, in which Catalyst is earning interests through separate farm-in agreements. The Share Purchase Plan will provide eligible shareholders on the share register as at 5.00 p.m. Perth time on Wednesday, 10 June 2015 with the opportunity to subscribe for up to \$15,000 worth of shares at a subscription price of \$0.32 per share.

The issue price of the new shares represents a discount of 16% to the volume weighted average price of Catalyst shares during the last 5 days on which sales of shares were recorded up to and including 10 June 2015, being the date immediately preceding this announcement. The Share Purchase Plan will provide eligible shareholders with an opportunity to increase their investment in Catalyst at an attractive price.

The Share Purchase Plan is expected to open on Thursday, 18 June 2015 and close on Friday, 10 July 2015. The directors reserve the right to vary the dates for the Share Purchase Plan at their discretion. Full details of the Share Purchase Plan are set out in the attached Offer Memorandum which is expected to be sent to shareholders on or around 18 June 2015.

In accordance with the ASX Listing Rules, the maximum number of shares which may be issued under the Share Purchase Plan is 15,253,712 shares, being 30% of the current issued share capital of Catalyst.

The Share Purchase Plan will be conducted without a prospectus in accordance with ASIC Class Order 09/425.

Shareholder approval will not be sought for the Share Purchase Plan.

Proposed Bonus Issue of Options

Catalyst is also pleased to announce that it intends to undertake a bonus loyalty issue of options to eligible shareholders (**Bonus Issue**) on the basis of one (1) free option for every twenty (20) shares held, with each option being exercisable for one fully paid ordinary share at A\$0.50 each and expiring 30 June 2018 (**Bonus Option**).

Catalyst will apply for the Bonus Options to be listed on the ASX. The Bonus Options will only be admitted to quotation by ASX if the conditions for quotation of a new class of securities are satisfied (which include, amongst other things, there being a minimum of 100,000 Bonus Options on issue, with at least 50 holders with a marketable parcel). If quotation is not granted, the Bonus Options will be issued but will not be traded on ASX.

Catalyst will release a separate disclosure document for the Bonus Issue containing full details of the Bonus Issue, including full terms and conditions of the Bonus Options. It is anticipated that this will occur within the next 3 months.

All new shares issued under the Share Purchase Plan will be issued and allotted prior to the record date for the Bonus Issue, so shareholders who subscribe for new shares under the Share Purchase Plan will increase their entitlement to the free options to be issued under the Bonus Issue.

Catalyst will keep shareholders informed as to the Bonus Issue, including the record date for determining entitlements to the Bonus Issue.

Purpose of the fund raising

The net proceeds from the Share Purchase Plan will be applied towards:

- (a) exploration programmes at the Tandarra, Raydarra and Sebastian projects located along strike of the Four Eagles project and in which Catalyst is earning an interest; and
- (b) Catalyst's general working capital requirements.

The issue price of the New Shares represents a discount of 16% to the volume weighted average price of Catalyst's shares during the last 5 days on which Catalyst shares were traded up to and including 10 June 2015, being the day before the Share Purchase Plan was announced. The offer under the Share Purchase Plan provides you with an opportunity to increase your investment in Catalyst at an attractive price.

Simultaneous with the announcement of the Share Purchase Plan, Catalyst has also announced its intention to undertake a bonus loyalty issue of options to eligible shareholders (**Bonus Issue**) on the basis of one (1) free option for every twenty (20) Shares held, with each option being exercisable for one fully paid ordinary share at \$0.50 each and expiring 30 June 2018 (**Bonus Option**). It is anticipated that this will occur within the next 3 months. Catalyst will keep Shareholders informed as to the timing of the Bonus Issue.

The offer under the Share Purchase Plan will be conducted without a prospectus in accordance with ASIC Class Order 09/425. In accordance with the ASX Listing Rules, the maximum number of shares which may be issued under the Share Purchase Plan is 15,253,712 New Shares, being 30% of the current issued share capital of Catalyst. If necessary, applications will be scaled back to satisfy this requirement and also to make sure no Shareholder would acquire more shares than they can legally acquire at the time allocations are made.

The offer is non-renounceable. This means that you cannot trade or transfer your right to subscribe for New Shares under the Share Purchase Plan.

The right to participate in the offer under the Share Purchase Plan is optional and is available exclusively to Eligible Shareholders whose registered address is in Australia or New Zealand. Permitted Foreign Shareholders may participate in the offer, subject to the terms and conditions set out in Offer Memorandum.

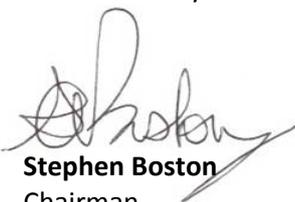

The proceeds from the Share Purchase Plan will be applied towards:

ADDITIONAL TERMS AND CONDITIONS OF SHARE PURCHASE PLAN

1 Level of participation

- 1.1 Eligible Shareholders can choose to subscribe for New Shares in one of the parcel options specified in item 1 of the table above, for a maximum of A\$15,000 and a minimum of \$2,500 worth of New Shares.
- 1.2 Joint holders will be treated as a single registered holding for the purposes of the offer under this Share Purchase Plan and the joint holders are entitled to participate in respect of that single holding only. Any Eligible Shareholder (other than a Custodian) that receives more than one offer to participate in the Share Purchase Plan can only subscribe for a maximum of A\$15,000 of New Shares in total. Catalyst reserves the right to reject any Application where it believes this has not been complied with.
- 1.3 By making an Application, a Shareholder (other than a Custodian) certifies to Catalyst that at the time of the application, the total of the application price taking into account all of the following, does not exceed A\$15,000:
 - 1.3.1 the New Shares the subject of the Application; and
 - 1.3.2 any other Shares issued to the Shareholder under the Share Purchase Plan or any similar arrangement in the 12 months before the Application; and
 - 1.3.3 any other Shares which the Shareholder has instructed a Custodian to acquire on its behalf under the Share Purchase Plan; and
 - 1.3.4 any other Shares issued to a Custodian under an arrangement similar to the Share Purchase Plan in the 12 months before the Application as a result of an instruction given by the Shareholder to the Custodian to apply for Shares and which resulted in the Shareholder holding beneficial interests in the Shares.

2. Custodians, trustees and nominees

- 2.1 Eligible Shareholders that are Custodians may apply for up to A\$15,000 worth of New Shares for each beneficiary for whom they act as Custodian provided the Custodian annexes to the Application Form a custodian certificate which complies with the requirements of ASIC Class Order CO 09/425 (**Custodian Certificate**).
- 2.2 By providing a Custodian Certificate, an Eligible Shareholder represents and warrants to Catalyst that it is a "custodian" within the definition ascribed to that term in ASIC Class Order CO 09/425.
- 2.3 Catalyst reserves the right to reject any Application to the extent it considers that the Application (whether alone or in conjunction with other Applications) does not comply with these requirements.
- 2.4 If you require a Custodian Certificate please contact Catalyst's Share Registry, Security Transfer Registrars Pty Ltd on telephone number (08) 9315 2333, facsimile number (08) 9315 2233 or by e-mail at registrar@securitytransfer.com.au.
- 2.5 If you hold Shares as a trustee or nominee for another person, but are not a Custodian, you cannot participate for beneficiaries in the manner described above. In this case, the rules for multiple single holdings in clause 1.1 and 1.2 apply.

3. Foreign holders

- 3.1 Catalyst has decided that it is unreasonable to make the offer under the Share Purchase Plan to Shareholders who have a registered address in a country other than Australia and New Zealand and the jurisdictions applicable to Permitted Foreign Shareholders, having regard to the number of Shareholders in such places, the number and value of the New Shares they would be able to apply for and the substantial costs of complying with the legal and regulatory requirements in those jurisdictions.

- 3.2 Consequently, no offer is made under the Share Purchase Plan in any jurisdiction outside of Australia or New Zealand unless the offer is to a Permitted Foreign Shareholder and the offer would not result in a breach of the relevant securities laws and regulations in the jurisdiction of the Permitted Foreign Shareholder. No offer is made under this Share Purchase Plan in any place in which, or to persons to whom, it would not be lawful to make an offer.
- 3.3 By making an Application, a Permitted Foreign Shareholder warrants that the offer under the Share Purchase Plan, the Application by the Permitted Foreign Shareholder and the issue of New Shares to the Permitted Foreign Shareholder under the offer does not constitute a breach of the relevant securities laws and regulations in the jurisdiction of the Permitted Foreign Shareholder.
- 3.4 Eligible Shareholders holding Shares on behalf of persons who are resident outside of Australia and New Zealand are responsible for ensuring that the subscription for the New Shares under the Share Purchase Plan does not breach regulations in the relevant overseas jurisdiction.
- 3.5 This Offer Memorandum must not be released or distributed in the United States. The New Shares have not been and will not be registered under the United States Securities Act of 1933 or the securities laws of any state or other jurisdiction of the United States. The New Shares may not be subscribed for by a person in the United States or by persons who are acting for the account or benefit of a person in the United States. The New Shares may not be offered, sold or resold in the United States, except in a transaction exempt from, or not subject to, the registration requirements of the United States Securities Act of 1933 and the applicable securities law of any state or other jurisdiction in the United States.

4. Costs

- 4.1 There are no brokerage or transaction costs payable by Eligible Shareholders that participate in the Share Purchase Plan.

5. ASX Listing Rules

- 5.1 The Listing Rules allow the issue of up to A\$15,000 worth of New Shares under the Share Purchase Plan to each Eligible Shareholder (including Eligible Shareholders who are related parties of Catalyst) without obtaining Shareholder approval for the purposes of Listing Rules 7.1 or 10.11, provided the following conditions are complied with:
 - 5.1.1 the discount offered under the Share Purchase Plan is no greater than 20% of Catalyst's average Share price over the last 5 days on which sales of Catalyst's Shares were recorded, either before the date on which the Share Purchase Plan was first announced, or before the day on which the issue is made under the Share Purchase Plan; and
 - 5.1.2 the number of Shares to be issued under the Share Purchase Plan is not greater than 30% of the number of Shares already on issue (namely 15,253,712 Shares).

6. Catalyst's discretion regarding Applications

- 6.1 The Board may accept or reject Applications at its discretion, including but not limited to cases where:
 - 6.1.1 an Application Form is incorrectly completed, incomplete or otherwise determined by the Board to be invalid;
 - 6.1.2 an Application Form is received after the Closing Date;
 - 6.1.3 the correct Application Money is not tendered with the Application;
 - 6.1.4 a cheque is dishonoured or has not been completed correctly or accurately; or
 - 6.1.5 the Board forms the opinion that the subscription of New Shares by the Eligible Shareholder would result in a breach of law or regulation.

- 6.2 If the Board rejects an Application, the Application Money will be refunded (without interest). The Board reserves the right to waive strict compliance with the Terms and Conditions.
- 6.3 Catalyst reserves the right to scale back Applications on any basis it determines. Any Application Money received in excess of New Shares allocated to a Shareholder will be refunded (without interest). If, as a result of scaling back, a Shareholder becomes entitled to a fraction of a Share, the entitlement will be rounded up to the nearest whole number.
- 6.4 The Board may, in its absolute discretion, vary, terminate or waive this Share Purchase Plan or any of the Terms and Conditions at any time, whether because of a change of law, an ASIC requirement or policy or any other circumstances relevant to this Share Purchase Plan or Catalyst. If Catalyst exercises this discretion it will promptly notify the ASX. Failure to notify Shareholders of a change to, waiver of or termination of this Share Purchase Plan or the Terms and Conditions will not invalidate the change, waiver or termination. If Catalyst terminates this Share Purchase Plan all Application Money received will be refunded (without interest).

7. Catalyst's discretion regarding Shortfall Shares

- 7.1 The Directors reserve the right to place any Shortfall Shares in their absolute discretion and at a price no less than the price of New Shares offered under the Share Purchase Plan, to the extent that any such placement of Shortfall Shares can be made having regard to Listing Rules 7.1 and 7.1A.

8. Dispute policy

- 8.1 The Board may make determinations in any manner it thinks fit in relation to any difficulties, anomalies or disputes which may arise in connection with or by reason of the operation of this Share Purchase Plan whether generally or in relation to any Shareholder or Application. Any determinations by the Board will be conclusive and binding on all Shareholders and other persons to whom the determination relates.
- 8.2 Catalyst reserves the right to waive strict compliance with any provision of the Terms and Conditions. The powers of Catalyst under the Terms and Conditions may be exercised by the Directors or any delegate of the Directors.

9. Reliance on Offer Memorandum

- 9.1 This Offer Memorandum has been prepared in accordance with ASIC Class Order 09/425, which relates to share purchase plans that do not require a prospectus or other disclosure document. Accordingly, the level of disclosure in this Offer Memorandum is considerably less than the level of disclosure required in a prospectus or other disclosure document.
- 9.2 Nothing in this Offer Memorandum constitutes financial or investment advice. In deciding whether or not to participate in the Share Purchase Plan, you should rely on your own knowledge of Catalyst, refer to disclosures made by Catalyst to ASX (which are available for inspection on the ASX website at www.asx.com.au and on Catalyst's website at www.catalystmetals.com.au) and seek the advice of your professional adviser.
